By checking here I acknowledge that I am registered for the HACKANODE 2014 challenge on ChallengePost.com and that I will be charged the MSRP for the NODE+ units and modules loaned unless they are returned by December 15, 2014 (OR) a mobile app has been submitted via the competition that is authorized for commercial sale by Variable, Inc.

Upon approval of the application, I agree to pay the total shipping and handling charges on shop.variableinc.com with a coupon code that I will receive for the NODE+ sensor (plus additional modules if applicable) according to the card issuer agreement. For international orders, please be aware that customs charges may apply for which I must be responsible. Effective December 15, 2014 if all loaned NODE+ products are not received back by Variable, Incorporated, I agree to pay the MSRP cost of all loaned products.

I also acknowledge that I am over 18 years of age or that I am acting as a legal parent or guardian for the applicant.

Thank you for completing your application!

You will be notified by e-mail if your application is approved.

Please remember:

1. We will confirm with you the S/H price before your credit card is charged. (Shipping in the US is typically \$15 and international shipments range between \$25-\$75 depending on additional customs charges.)
2. You will be responsible for S/H costs to return the NODE+ products unless you complete an app that is authorized by Variable, Inc. for commercial purposes. In this case, you may keep your NODE+ products and we will refund your S/H costs upon request.

Please contact us at marketing@variableinc.com if you have additional questions!
